How we work.

General conditions.

How we work.

All the prices of the menus published in this dossier are inclusive of VAT and will be subject to upward variations in the consumer price index (CPI).

There will be a menu tasting for 2 people after the payment of the reservation, if you want more important people to attend the menu tasting, it will add an extra 50€ per guest, which will include the final invoice of the event.

The minimum number of guests per wedding will be 25 people. In the case of not reaching this number, the difference of diners must be paid with the complete package.

The deadline to alter the number of guests will be 7 calendar days before the event. We will always try to keep you informed to keep track of the guests.

Forms of payment and booking.

The reservation is guaranteed with the payment of 600€ as a deposit that will be discounted in final invoice.

The contract will be signed during the last quarter of the year prior to the event. Before December 31st of that year 25% or min 3.000€ of the initial budget will be paid and one month before the wedding the remaining 75% of the contracted package will have to be paid taking into account the number of diners confirmed to date.

The guests and services that are added after this date will be paid during the week following the celebration of the wedding and always before the couple leaves for their honeymoon.

The cancellation of the event 30 days before its celebration will carry with it the penalty of the payment of 50% of the package and the diners hired up to that date and 100% if they are 7 days before. Regardless of the time of cancellation, no refunds of amounts delivered will be made.

Service duration.

The free bar will have a minimum duration of 2 hours, may be extended per hour, is always for all diners.

Others.

The EXCLUSIVITY and closing of the restaurant for a celebration will be done free of charge with a minimum of 180 people, in case of being inferior the difference will be paid with a price of 85€/person.

If during the contracted service material damage is caused to any element of the installation by one of the guests, the amount for its replacement or repair will be included in the final invoice.

Food products not belonging to this company will not be accepted during the celebration of the event.

In the celebrations that there are children it is indispensable the hiring of monitors from the beginning of the event until the end. In any case, it is the responsibility of their parents or guardians for their care, as well as any damage caused to our property.

It is forbidden to use pyrotechnic material throughout the site, as well as in places attached to it.
